

Increase Your Score !

Guaranteed higher score or your money back.

Learn how to:

- Identify the testing patterns that are used in every game.
- Choose and use the correct diagram (hint, there are only four.)
- Skip diagramming certain questions. You will save time, yet still answer them correctly every time.
- Use the diagrams, strategies, tips and techniques that top scorers swear by.
- Significantly and quickly improve your score in the puzzle games.

This book contains:

- 83 games, all explained in full detail.
- Licenced copies of the 12 most recent authentic LSAT games.
- Effective techniques that yield correct answers quickly.

ACE the LSAT Logic Games is your guarantee of a higher Logic games score.

Ace the LSAT Logic Games teaches a comprehensive and effective system for answering Logic Games. Employing descriptive, practical language, and easily understandable examples, it teaches specific skills and diagramming methods for every type of Logic Game you could expect—and for those games that you could never expect! Its flexible approach makes it suitable for test takers of all ability levels.

Any book can explain answers. Ace the LSAT Logic Games teaches you how to identify the answers on your own, under the time constraints of the actual test. It includes more practice exercises and analysis than any other book, as well as analysis and commentary for the three most recent LSATs, making it your most relevant and realistic learning tool. Ace the LSAT is the new gold standard for teaching LSAT Logic Games. I highly recommend it to our LSAT students.
